

WELCOME.

February 4th, 2019
Vancouver / Calgary

INTRODUCTIONS

A scenic highway curves along a deep blue lake, framed by towering evergreen trees and majestic mountains with patches of snow. The road is marked with white dashed lines and a solid yellow center line. A concrete barrier wall runs alongside the left side of the road. In the distance, several vehicles are visible on the curve.

Five Rules for Success

#1: Ask for Help

#2: Put in the Hours

Pinned in your Slack channel:
canada-west-attendance@lighthouselabs.ca

#3: Take breaks + get proper sleep

#4: Don't compare yourself to others

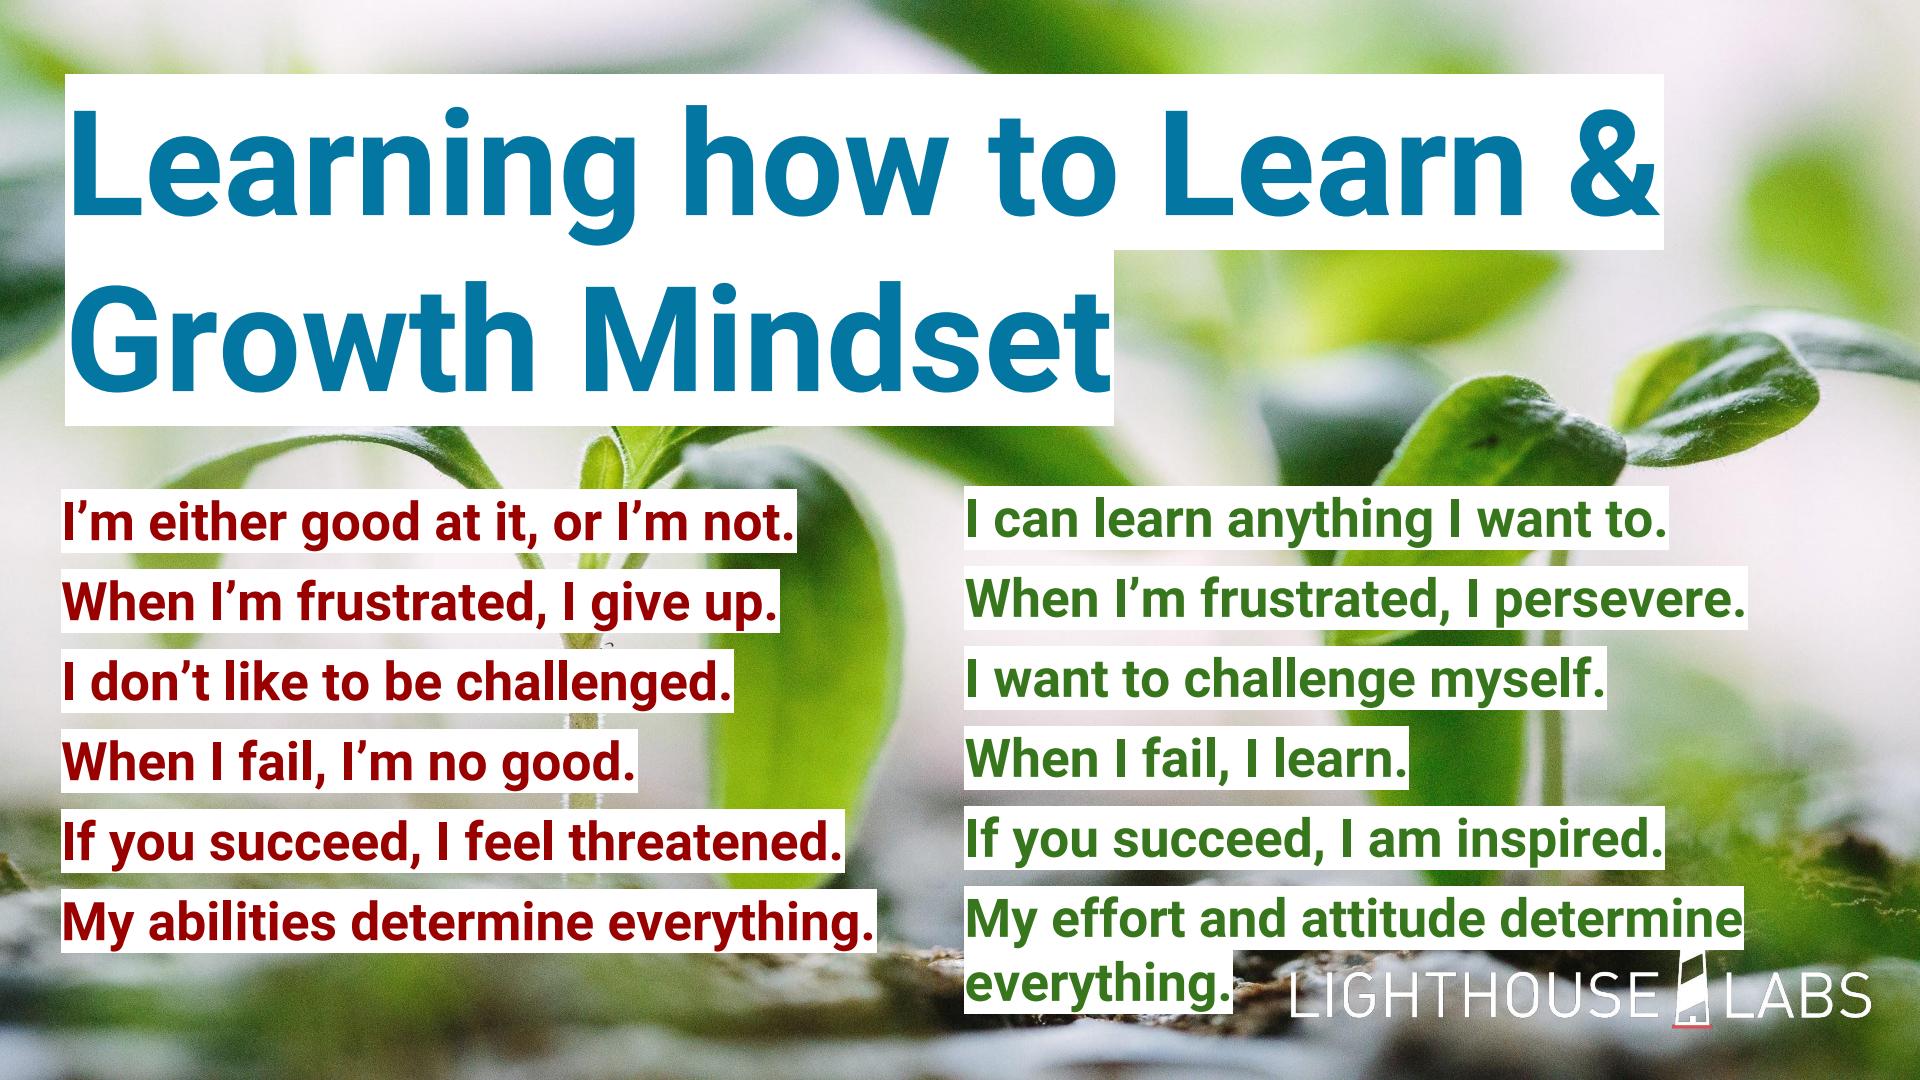

#5: Comfortable being uncomfortable

The Five Rules of Success @ LHL

1. Ask for help!
2. Put in the hours.
3. Take breaks, & get proper sleep.
4. Don't compare yourself to others.
5. Be comfortable being **uncomfortable.**

Our Philosophies & Approach.

Learning how to Learn & Growth Mindset

A close-up photograph of several bright green, oval-shaped leaves with visible veins, serving as a natural background for the text.

I'm either good at it, or I'm not.

When I'm frustrated, I give up.

I don't like to be challenged.

When I fail, I'm no good.

If you succeed, I feel threatened.

My abilities determine everything.

I can learn anything I want to.

When I'm frustrated, I persevere.

I want to challenge myself.

When I fail, I learn.

If you succeed, I am inspired.

My effort and attitude determine everything.

Software Development is a Team Sport

A wide-angle photograph of a two-lane asphalt road with yellow center and edge markings. The road curves from the left side of the frame towards the horizon. Both sides of the road are bordered by lush green grass and low-lying bushes. In the background, there are several rolling green hills that stretch across the horizon under a clear, pale blue sky.

Bootcamp is a
6 to 12 month
journey

A close-up photograph showing a person's hands working on a traditional Islamic geometric pattern, likely khatam or inlay, on a wooden surface. The pattern consists of intricate, symmetrical designs made of dark, possibly brass or copper, inlays set into a lighter wood. The hands are shown from the side, carefully placing or adjusting the inlays. The lighting highlights the precision of the craftsmanship.

Software Development is a Craft

Hands-On Learning & Flipped Classroom

A white toilet is positioned in the middle of a row of red theater-style seats. The toilet is oriented vertically, with its tank on the left and seat on the right. The surrounding seats are a vibrant red color, creating a stark contrast with the white toilet. The background is dark, making the red seats stand out.

BIO-BREAK TIME

Typical Day

Lecture

9am - 10:30/11am

Lab (Mentor Support)

Web: 12pm - 9pm

Breakouts

3 - 4pm

Monday & Tuesday, W1-6

Friday evenings

6 - 9pm no mentors

Limited Weekend Mentor

Support

Timings vary

Typical Day

... except for weeks 5 and 10!

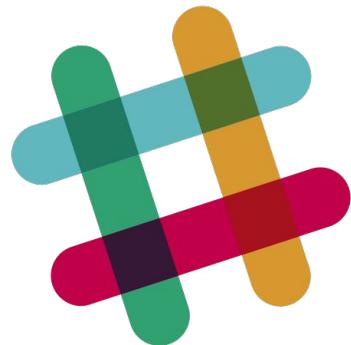

- No lectures
- Build self-reliance
- Self-directed
- Offsite

PAIR PROGRAMMING

+ peer helping

+ peer code reviews
